The screenshot shows the Wiithon application window. The title bar reads "Wiithon". The menu bar includes: New, Add folder, Extract ISO, Copy 1:1, Rename, Delete, copy to SD, Refresh WBFS, and About ...

A progress bar at the top indicates: "There are 5 tasks Copy game Zelda: Twilight Princess from /dev/sdc1 to the partition /dev/sdb2 - 42% - remaining 1m37s".

Below the progress bar, there is a search field with "g" entered, and a status bar showing "337.01 GB / 431.50 GB" and "141 games".

The main area displays a list of games with columns for ID, Name, and Size. The games listed are:
